

FERR November 3rd, 2022 - Presenter Guidelines & Review Process

Thank you for your commitment to be a Speaker at the 3rd Annual Flaring Emissions Reduction Roundtable (FERR) event in Midland, TX!

The Flaring & Emissions Reduction Roundtable (FERR) is a focused one-day event developed to highlight successful and emerging technologies with the goal to speed adoption.

Our Distinguished Advisory Board has created a set of guidelines for the sessions in which you will be presenting. We have three main goals for each session:

1. Focus on discussion, not presentations!
2. Encourage interaction
3. Minimize commercialism

* If you are selected to be a Speaker - All final presentations must be emailed to Nicole Mireles, Nicole@petroleumetc.com and by **October 20th, 2022**.

** Please ensure your abstract and presentation has been reviewed and approved within your organization; and by any cooperating authors from the operator companies (if applicable) before the final deadline.*

Failure to submit all required materials with necessary approvals may affect the publication of your presentation.

You will be featured as a Presenter in the FERR Event Guide.

Kindly submit a brief 100-word biography and a professional headshot (A high-resolution, 300 DPI .JPEG, .GIF or .PNG file) to Nicole Mireles, Nicole@petroleumetc.com no later than **August 19th, 2022**.

Your timely submission of the above will ensure that we have enough time to meet the printing deadlines for our Show Guide.

We appreciate your support and participation in this event and look forward to launching our 3rd Annual event with you on November 3rd, 2022!

Sincerely,

Nicole Mireles | Event Planner
